The screenshot shows the B2B Marketing page of the nextrow website. At the top, there is a navigation bar with links for Services, Solutions, Partners, and Contact. Below the navigation bar, a breadcrumb trail indicates the current location: Home > Services > B2B Marketing. The main content area features a large black banner on the left containing the text: "Your customer data, journeys and revenue engines finally work as one." To the right of the banner, a light blue background displays a diagram illustrating the integration of various Adobe products. The diagram includes six red rounded rectangles arranged horizontally, each containing a product name and its edition: "Adobe Marketo Engage", "Adobe Real+Time CDP (B2B Edition)", "Adobe Journey Optimizer (B2B Edition)", "Adobe Customer Journey Analytics (B2B Edition)", "Experience Manager Sites & Commerce", and "Adobe Marketo Measure". Above the rectangles, three red dots are connected by lines to form a triangle, labeled "INSIGHTS", "JOURNEYS", and "GROWTH".
